

VetPartners™

For the good of the profession.

Turning practices that run into businesses that **perform.**

**Connect your business with the experts and tools
needed to reach your full potential**

VetPartners, VetPartners.org, is dedicated to connecting you with the consultants and tools you need to help your practice perform at its highest level.

What is VetPartners?

We are a nonprofit association of veterinary business specialists dedicated to serving the veterinary profession. Our members have expertise across a broad spectrum of areas relevant to veterinary practice management.

Why VetPartners?

The successful management of a veterinary practice is a complex challenge. Just as it is increasingly difficult to remain current in all areas of medicine for all species, it is similarly arduous to know all aspects of good business management. By hiring an industry consultant, you get an expert who is knowledgeable on ever-changing trends in their field and can work with you to stay current in the practice management aspect of your business.

Let our collective energy and commitment help put the momentum behind **your practice!**

Our Consultant Directory is a streamlined and easy-to-search resource for finding the veterinary business specialist you're looking for, including:

Practice Management
Accounting and Financial Planning Services
Emergency and Specialty Practices
Marketing Development & Implementation
Legal and Regulatory Compliance
Human Resource Management and Compliance
Industry Consultant
Practice Brokers
Practice Valuation and Succession Planning
Architectural Services
And More

How to Hire a Consultant

Hiring a consultant is a big decision, and it's natural to have questions. A list of FAQs can be found on our website, VetPartners.org.

When you're ready to take the next step, VetPartners consultants are happy to answer any questions you may have and are eager to help you take your practice to the next level.

VetPartners consultants provide resources and solutions for your veterinary practice

We are committed to delivering practice management solutions derived from close interaction and partnership with veterinarians. VetPartners has several invaluable resources that are free for veterinary practices such as:

Veterinary Practice Management Essentials: a free download that outlines standards for successful management of a veterinary practice and includes a list of quality resources that provide information on various topics relating to practice management.

Valuations Essentials for Veterinarians: a free download that provides an overview of valuation theory and practice as a resource to practice owners and prospective owners to better understand the valuation process.

The No-Lo Practice: an additional free valuation tool for practice owners and potential buyers that talks specifically to the common symptoms of low-value practices and how to protect your investment with profitability strategies.

To see the complete list of resources, educational opportunities for veterinary practices, student resources and more, visit the Veterinary Practice Resources section of our website, VetPartners.org.

A man in a dark blue shirt and a woman in light blue scrubs are leaning over a desk, looking at a document. The man is holding a pen and appears to be writing. The woman is pointing at the document. There are some papers and a pair of glasses on the desk.
